NOTICE: Stock ordered from both Retail and the Wholesale price list will all be sent EXPRESS COLLECT, with the items at wholesale, but we will put in enough extras, from the retail catalog, to make up the difference.

FOR DESCRIPTIONS see Regular catalog which contains many varieties of which quantity was too small to list here, but on some varieties we can quote on surplus planting sizes and bulblets.

***MRS. F. C. HORNBERGER.** There has been some lower quotations made on this item by a well known grower, while we are leaving our price the same, we will give enough extra bulbs free, to equal these prices, your money back if not entirely satisfied.

NOTICE: GROWERS ATTENTION

We are compelled this season to dispose of nearly all our planting sizes and bulblets, we can quote lowest prices for high quality, stock. Send us your list of requirements. We expect to sell out completely over 200 varieties of fine Gladioli, in all sizes and bulblets. **AT YOUR OWN PRICES** as this stock must be out of storage at planting time it will be merely a matter of correspondence to arrange a sale to please you.

AUCTION METHOD. If you wish to send in a bid on what you require we will close all such bids the 30th of each calendar month. We have over 200 varieties not listed in our catalogs.
